Dorte Gram Nybroe

A business perspective on better regulation

The Danish way...

> Ambitious burden reduction targets:

4 billion DKK net from 2015 to 2020 and **6 billion** DKK net from 2020 to 2025

The Danish Government has in February launched <u>42 new simplification proposals</u>

Early warning - proactive political lobbying:

"Neighbour check" – best practice in other Member States
